*Please do note that Team Police was disqualified from the the Men's 4x400m for breaking 2 different rules, despite initially finishing 2nd (Osheku Striders have been promoted from 3rd to 2nd and Team MoC from 4th to 3rd):

(1) It was found that the Team changed 3 of their 4 Athletes (2 of whom were not actually registered on Team Police) after their confirmed Team had been registered, with the new Athletes wearing the bibs of the registered Athletes they replaced. This is not in keeping with the spirit of fairplay and unfortunately cannot be accepted at this Grand Prix or any future MoC competitions. All Teams should please endeavour to make the Organisers' work easier by not trying to circumvent the rules of the event.

(2) One of the Athletes that replaced the registered Athletes, though registered on Team Police, also ran for Team Police in the Mixed 4x400m Relay, however the rules published before the Relay events clearly stated that no Athlete was permitted to compete in both the Men's or Women's 4x400m AND the Mixed 4x400m Relay. It is for these 2 reasons that Team Police Men's 4x400m Relay team were regrettably disqualified, with Osheku Striders & Team MoC being promoted to 2nd and 3rd respectively for the Relay Prize Money.
